#### What Religion is Your Bra?

A man walked into the ladies' department and shyly walked up to the woman behind the counter and said, "I'd like to buy a bra for my wife." "What type of bra?" asked the clerk. "Type?" inquires the man, "There's more than one type?'

"Look around," said the saleslady, as she showed a sea of bras in every shape, size, color and material imaginable. "Actually, even with all of this variety, there are really only four types of bras to choose from." Relieved, the man asked about the types.

The saleslady replied: "There are the Catholic, Salvation Army, Presbyterian, and the Baptist types. Which one would you prefer?" Now totally befuddled, the man asked about the differences between them.

The Saleslady responded, "It is all really quite simple."

"The Catholic type supports the masses;

The Salvation Army type lifts the fallen;

The Presbyterian type keeps them staunch and upright;

The Baptist type makes mountains out of molehills...."

The Saleslady then asked what size the bra should be. The man had no idea, so the Saleslady explained: "It's time you learned!"

It's like that everywhere, son.

FOR BETTER OR FAMILY, FOR RICHER OR FAMILY, IN FAMILY AND IN HEALTH.

A young man sees his doctor about his constant fatigue. The doctor says, "I'm afraid you're going to have to give up sex."

The patient says, "WHAAT?? I'm a young guy - I'm in the prime of my life! How can I just give up sex??"

The doctor says, "Well, you do what everyone does. You get married and you taper off gradually."

# **Pregnancy Q&A**

- Q: Should I have a baby after 35?
- A: No, 35 children is enough.
- Q: I'm two months pregnant now. When will my baby move?
- A: With any luck, right after it finishes college.
- Q: What is the most reliable method to determine baby's sex?
- A: Childbirth.
- Q: My wife is five months pregnant and so moody that sometimes she's borderline irrational.
- A: So what's your question?
- Q: My childbirth instructor says it's not pain I'll feel during labor, but pressure. Is she right?
- A: Yes, in the same way that a tornado might be called an air current.
- Q: When is the best time to get an epidural?
- A: Right after you find out you're pregnant.
- Q: Is there any reason I have to be in the delivery room while my wife is in labor?
- A: Not unless the word "alimony" means something to you.
- Q: Is there anything I should avoid while recovering from childbirth?
- A: Yes, pregnancy.
- Q: Do I have to have a baby shower?
- A: Not if you change the baby's diaper very quickly.
- Q: Our baby was born last week. When will my wife begin to feel and act normal again?

- After too many beers, my mate asked if he could crash out on my sofa. I had to explain to him that I'm married now, so that's where I sleep.
- The missus said she's leaving me because I invade her privacy too often. At least that's what it says in her diary.
- As me and the missus headed off on a romantic holiday, we talked about what kinky things we'd like to do to each other. She said, "T've always wanted to be handcuffed." So I planted a kilo of cocaine in her suitcase.
- Woman to husband: "Let's go out and have some fun tonight!" Husband: "Okay, but if you get home before I do, leave the hall light on."

- My mate is thinking about asking his ex-missus to re-marry him, but he's worried she'll think he is just after her for his money.
- Two guys in a health club, one is putting on a pair of women's lace knickers. 1st guy: "Since when do you wear women's underwear?" 2nd guy: "Since the missus found 'em in the glove box."
- My missus left me for another bloke. All that lies ahead now is a miserable, pointless life, with suicide seemingly the only way out. And while the poor bugger's going through all that, I'll be down at the pub with my mates every night!
- My missus left a note on the fridge: "It's not working. I can't take it anymore, I'm going to live with my mum." I opened the fridge door, the light came on, the beer was cold. What the hell is she on about?"

People greeted and exchanged words with the Prime Minister.

A street sweeper, on the other hand, greeted Ms. Churchill in particular, and the two stayed aside for a while in a familiar conversation. Churchill then asked his wife what she had had to discuss with a street sweeper for so long. "Ah... he was in love with me a long time ago," she said.

Churchill smiled and said, "You see, if you had married him, you would be the wife of a street sweeper today." Mrs. Churchill looked at her husband in amazement and said the legendary words:

#### Wife's Diary:

Tonight, I thought my husband was acting weird. We had made plans to meet at a nice restaurant for dinner. I was shopping with my friends all day long, so, I thought he was upset at the fact that I was a bit late, but he made no comment on it. Conversation wasn't flowing, so I suggested that we go somewhere quiet so we could talk. He agreed, but he didn't say much. I asked him what was wrong; He said, "nothing."

I asked him if it was my fault that he was upset. He said he wasn't upset, that it had nothing to do with me, and not to worry about it.

On the way home, I told him that I loved him He smiled slightly and kept driving. I can't explain his behavior. I don't know why he didn't say, "I love you, too." When we got home, I felt as if I had lost him completely, as if he wanted nothing to do with me anymore. He just sat there quietly, and watched TV. He continued to seem distant and absent. Finally, with silence all around us, I decided to go to bed. About 15 minutes later, he came to bed. But I still felt that he was distracted, and his thoughts were somewhere else. He fell asleep; I cried. I don't know what to do. I'm almost sure that his thoughts are with someone else. My life is a disaster.

- A Minimize burron.

 An option to run the network driver in "promiscuous" mode which would allow the systems handware probe feature to have greater use.

Apparently, some version of Gittfriend have conflex, over whird use of the 10 been. You would have though there that where there is a neidblack here never.

To make marters worse, the uninstall program for Gidfriend 1.0 doesn't work very well, leaving, undesired traces of the application in the system.

Another annoying problem - all versions of Gitffriend continually pop-up annoying messages about the advantages of upgrading to Wife 1.0.

#### \*\*\*\*\* BUG WARNING \*\*\*\*\*

Wife 1.0 has an undocursented bug. If you try to install Mistress 1.1 before uninstalling Wife 1.0, Wife 1.0 will delete MSMorey files before executing a self-uninstallation. Then Mistress 1.1 will refore to install, claiming invariantlicient system resources.

#### \*\*\*\*\* BUG WORKAROUNDS \*\*\*\*\*

To avoid the above bug, try installing Mistress 1.1 on a different system and never run any file transfer programs such as LapLink 6.0. Also, beware that similar shareware applications have been known to carry vinues that may affect Wife 1.0.

Another solution would be so run Mistress 1.1 via a UseNet provider under an anonymous name. Here, again, beware of the viruses which can accidentally be downloaded.

#### Dear Tech Support,

Last year I upgraded from Boyfriend S.Q to Husband I.Ø and noticed a distinct slowdown in overall system performance, particularly in the flower and jewelra paptications, which operated flawlessly under Boyfriend S.O. In addition, Husband I.Ø uninstalled many other valuable programs, such as Romance 9.5 and Personal Attention 6.5, and then installed underiable programs such as: NBA 5.0, NFL 3.0 and Golf Clubs 4.1. Conversation 8.0 no longer runs, and House Cleaning 2.6 simply crashes the system. Please note that I have tried running Nagging 5.3 to fix these problems, but to no avail.

What can I do?

Signed, Desperate

\*\*\*

Dear Desperate,

First, keep in mind, Boyfriend 5.0 is an Entertainment Package, while Husband 1.0 is an operating system.

Please enter command 1 Thought You Loved Mc.html, and try to download Tears 6.2. Do not forget to install the Guilt 3.0 update. If that application works as designed, Husband 1.0 should then automatically run the applications Jewelry 2.0 and Flowers 3.5.

However, overuse of the above application can cause Husband 1.0 to default to Grumpy Silence 2.5, Happy Hour 7.0, or Beer 6.1.

Please note that Beer 6.1 is a very bad program that will download the Farring and Snoring Loadly Beta version. Whatever you do, DO NOT, under any circumstances, install Mohrer-In-Law 1.0 as it runs a virus in the background that will eventually science control of all your system resources. In addition. please do not attempt to re-install the Boyfriend 5.0 program. These are unsupported applications and will crash Husband 1.0.

In summary, Husband 1.0 is a great program, but it does have limited memory and cannot learn new applications quickly.

You might consider buying additional software to improve memory and performance.

We recommend Cooking 3.0.

Good Luck!

Yours, Tech Support

# **Domestic Bliss**

The Kama Sutra of Housework BY DAVID MARTIN

en are beginning to understand that doing housework . . . unprompted goes a long way to creating marital happiness. . . . Intimacy is not just for the bedroom, in other words. Foreplay can begin with a dish towel. —The Toronto Globe and Mail

Thus follows the Kama Sutra of Domestic Love:

#### ON THE USE OF OUTSIDE HELP

In an effort to enhance domestic congress, some couples may seek the services of one professionally trained in the art. However, this is seldom as satisfying as when the man performs the task alone. But in the interest of matrimonial harmony, if both the man and the woman work outside the home, it is acceptable to engage a cleaning person once every two weeks.

#### THE WASHING OF DISHES

The woman submerges her dishes in warm, soapy water, rinses them in clear water and passes them to the man. The man employs a slow, clockwise motion to dry them thoroughly with a dish towel. After about 20 minutes, the solicitous partner will switch roles for variety.

#### ON DOING LAUNDRY

The man is often too hurried and wishes to place the clothes immediately in the washing machine. He must learn patience and be guided by the woman, who will teach him the art of sorting and, in time, even to pre-soak. The slow, deliberate dividing of clothing into piles of whites, lights and colors will lighten the loads and heighten the pleasure.

#### THE ART OF THE DRYER

Once the man has mastered the washing routine, he can be introduced to the dryer. Again, he must act against his nature and learn patience before inserting damp garments into the cylinder. Although all items can be placed into the dryer, he must learn to withhold some of them. What could be a most pleasurable cycle can end in anger and disappointment for the woman if a delicate undergarment is shredded or blue jeans are shrunk.

#### ON EXTRACTING DIRT FROM THE CARPET

This is an uncommon task for a man. Before he can perform the act he must first be alerted to the existence of dirt in the carpet. Once introduced to the vacuum cleaner, its mechanical nature may overexcite him and cause him to proceed with inappropriate haste. The woman must also ensure that he is schooled in which attachment to use for each task.

#### THE CLEANING OF THE BATHROOM

Most men are unfamiliar with this delicate maneuver and may initially resist. A woman should not expect too much at first, taking initial satisfaction from the man's cursory sponging of the sink and tub before he advances to the washing of the floor and the polishing of taps. Be aware that he will not readily clean the bowl. But if a wise woman knows how to reward her mate, she may never have to use a toilet brush again.

My wife said that if I don't get off my computer and help with the dishes, she'll slam my head on the keyboard.

#### A MAN'S WEEK AT THE GYMN

#### Dear Diary,

For my birthday this year, my daughter (the dear) purchased a week of personal training at the local health club for me.

Although I am still in great shape since being a high school football quarterback 43 years ago, I decided it would be a good idea to go ahead and give it a try.

I called the club and made my reservations with a personal trainer named Belinda, who identified herself as a 26-year-old aerobics instructor and model for athletic clothing and swimwear.

My daughter seemed pleased with my enthusiasm to get started! The club encouraged me to keep a diary to chart my progress.

#### MONDAY:

Started my day at 6:00 a.m. Tough to get out of bed, but found it was well worth it when I arrived at the health club to find Belinda waiting for me. She is something of a Greek goddess – with blond hair, dancing eyes and a dazzling white smile. Woo Hoo!! Belinda gave me a tour and showed me the machines. I enjoyed watching the skillful way in which she conducted her aerobics class after my workout today. Very inspiring! Belinda was encouraging as I did my sit- ups, although my gut was already aching from holding it in the whole time she was around. This is going to be a FANTASTIC week!

#### TUESDAY:

I drank a whole pot of coffee, but I finally made it out the door.

Belinda made me lie on my back and push a heavy iron bar into the air then she put weights on it! My legs were a little wobbly on the treadmill, but I made the full mile. Belinda's rewarding smile made it all worthwhile. I feel GREAT! It's a whole new life for me.

#### WEDNESDAY:

The only way I can brush my teeth is by laying the toothbrush on the counter and moving my mouth back and forth over it, I believe I have a hemia in both pectorals. Driving was OK as long as I didn't try to steer or stop. I parked on top of a GEO in the club parking lot.

Belinda was impatient with me, insisting that my screams bothered other club members. Her voice is a little too perky for early in the morning and when she scolds, she gets this nasally whine that is VERY annoying. My chest hurt when I got on the treadmill, so Belinda put me on the stair monster. Why the Hell would anyone invent a machine to simulate an activity rendered obsolete by elevators? Belinda told me it would help me get in shape and enjoy life. She said some other shit too.

#### THURSDAY:

Belinda was waiting for me with her vampire-like teeth exposed as her thin, cruel lips were pulled back in a full snarl. I couldn't help being a half an hour late, it took me that long to tie my shoes.

Belinda took me to work out with dumbbells. When she was not looking, I ran and hid in the restroom. She sent another skinny bitch to find me.

Then, as punishment, she put me on the rowing machine – which I sank.

#### FRIDAY:

I hate that bitch Belinda more than any human being has ever hated any other human being in the history of the world. Stupid, skinny, anemic, anorexic little cheerleader. If there was a part of my body I could move without unbearable pain, I would beat her with it.

Belinda wanted me to work on my triceps. I don't have any triceps! And if you don't want dents in the floor, don't hand me the damned barbells or anything that weighs more than a sandwich. The treadmill flung me off and I landed on a health and nutrition teacher. Why couldn't it have been someone softer, like the Nancy the drama coach or Susan our choir director?

#### SATURDAY:

Belinda left a message on my answering machine in her grating, shrilly voice wondering why I did not show up today. Just hearing her made me want to smash the machine with my planner. However, I lacked the strength to even use the TV remote and ended up catching eleven straight hours of the Weather Channel.

#### SUNDAY:

I'm having the Church van pick me up for services today so I can go and thank GOD that this week is over. I will also pray that next year my daughter (the ungrateful little monster) will choose a gift for me that is fun - like a root canal or an orchiectomy.

An old, blind Marine wandered into an all-girl biker bar by mistake.

He found his way to a bar stool and ordered a shot of Jack Daniels.

After sitting there for a while, he yelled to the bartender, "Hey, you wanna hear a blonde joke?"

The bar immediately fell absolutely silent.

The woman next to him said, "Before you tell that joke I think it is only fair, given that you are blind, that you should know five things:

1. The bartender is a blonde girl with a baseball bat.

2. The bouncer is a blonde girl.

3. I'm a 6-foot tall, 175-pound blonde woman with a black belt in karate.

4. The woman sitting next to me is blonde and a professional weight lifter.

5. The lady to your right is blonde and a professional wrestler.

Now, think about it seriously, do you still wanna tell that blonde joke?"

The blind Marine thinks for a second, shakes his head and mutters, "No...not if I'm gonna have to explain it five times."

...

He is now doing well after his bout in the ER.

# **ADVICE FOR MEN**

Rape culture directs women to police their appearance, clothing, beverages, behavior, and sexuality at all times to prevent men from raping them.

It portrays men as powerless to control their violent sexual urges.

Rape culture demeans everyone, and everyone should speak out against rape culture.

Here are some practical ways for men to protect themselves against their own impulses.

- 1. If someone is drunk, don't rape them.
- 2. When you see an attractive woman drinking, don't put drugs in their drink.
- 3. Use the Buddy System! If it is difficult for you to stop yourself from raping someone, ask a trusted friend to accompany you at all times.
- 4. Carry a rape whistle. If you find that you are about to rape someone, blow the whistle until someone comes to stop you.
- 5. Don't forget: honesty is the best policy. When asking someone out, don't pretend that you are interested in them as a person. Tell them straight up that you think they are an object intended to help you satisfy your impulses to increase your genes' representation in the gene pool. Make sure they understand that you expect to be raping them later. You must realize that if you don't communicate your intentions, they may not cooperate in allowing you to rape them.
- 6. Be sure to oppose abortion! Your embryos are more important than women!

#### Never Argue with a Woman Who Reads Books

One morning the husband returns after several hours of fishing and decides to take a nap. Although not familiar with the lake, the wife decides to take the boat out. She morors out a short distance, anchors, and reads her book.

Along comes a Game Warden in his boat. He pulls up alongside the woman and says, "Good morning, Ma'am. What are you doing?"

"Reading a book," she replies (thinking, "Isn't that obvious?").

"You're in a Restricted Fishing Area," he informs her.

"I'm sorry, officer, but I'm not fishing. I'm reading."

"Yes, but you have all the equipment. For all I know you could start at any moment. I'll have to take you in and write you up,"

"For reading a book," she replies.

"You're in a Restricted Fishing Area," he informs her again,

"I'm sorry, officer, but I'm not fishing. I'm reading."

"Yes, but you have all the equipment. For all I know you could start at any moment. I'll have to take you in and write you up."

"If you do that, I'll have to charge you with sexual assault," says the woman.

"But I haven't even touched you," says the game warden.

"That's true, but you have all the equipment. For all I know you could start at any moment."

"Have a nice day ma'am," he said, and he left.

MORAL: Never argue with a woman who reads. It's likely she can also think.

My wife suggested we go to one of those restaurants where they make the food right in front of us. I don't understand why she was not happy I took her to the Subway down the street.

A husband told his wife that he's going to "The Second Wife" for dinner. He didn't get the chance to explain that it was a restaurant. He is now in hospital recovering. My huband, being unhappy with my mood swings, bought me a beautiful mood ring the other day so he would be able to monitor my moods.

We've found that when I'm in a good mood, it turns green. When I'm in a bad mood, it leaves a big red mark on his forehead.

#### "Same Love" MACKLEMORE & RYAN LEWIS (with Ryan Lewis) (feat. Mary Lambert)

When I was in the third grade I thought that I was gay 'Cause I could draw, my uncle was, and I kept my room straight I told my mom tears rushing down my face She's like "Ben you've loved girls since before pre-k tripping," Yeah, I guess she had a point, didn't she? Bunch of stereotypes all in my head. I remember doing the math like, "Yeah, I'm good at little league" A preconceived idea of what it all meant For those that liked the same sex Had the characteristics The right wing conservatives think it's a decision And you can be cured with some treatment and religion Man made rewiring of a predisposition Playing god, aw nah here we go America the brave still fears what we don't know And god loves all his children, is somehow forgotten But we paraphrase a book written thirty-five-hundred years ago I don't know

> And I can't change Even if I tried Even if I wanted to I can't change Even if I try

Even if I wanted to My love My love My love She keeps me warm She keeps me warm She keeps me warm She keeps me warm

If I was gay, I would think hip-hop hates me Have you read the YouTube comments lately "Man, that's gay" gets dropped on the daily We become so numb to what we're saying A culture founded from oppression Yet we don't have acceptance for 'em Call each other faggots behind the keys of a message board A word rooted in hate, yet our genre still ignores it Gay is synonymous with the lesser It's the same hate that's caused wars from religion Gender to skin color, the complexion of your pigment The same fight that led people to walk outs and sit ins It's human rights for everybody, there is no difference! Live on and be yourself When I was at church they taught me something else If you preach hate at the service those words aren't anointed That holy water that you soak in has been poisoned When everyone else is more comfortable remaining voiceless Rather than fighting for humans that have had their rights stolen I might not be the same, but that's not important No freedom till we're equal, damn right I support it

And I can't change

Even if I tried Even if I wanted to My love My love My love She keeps me warm She keeps me warm She keeps me warm She keeps me warm We press play, don't press pause Progress, march on With the veil over our eyes We turn our back on the cause Till the day that my uncles can be united by law When kids are walking 'round the hallway plagued by pain in their heart A world so hateful some would rather die than be who they are And a certificate on paper isn't gonna solve it all But it's a damn good place to start No law is gonna change us We have to change us Whatever god you believe in

We come from the same one Strip away the fear Underneath it's all the same love About time that we raised up

> And I can't change Even if I tried Even if I wanted to I can't change

Even if I try Even if I wanted to My love My love My love She keeps me warm She keeps me warm She keeps me warm She keeps me warm Love is patient Love is kind Love is patient Love is kind (I'm not crying on Sundays) Love is patient (I'm not crying on Sundays) Love is kind (I'm not crying on Sundays) Love is patient (I'm not crying on Sundays) Love is kind (I'm not crying on Sundays) Love is patient (I'm not crying on Sundays) Love is kind (I'm not crying on Sundays) Love is patient Love is kind

#### A SHORT LOVE STORY

A man and a woman who had never met before, but who were both married to other people, found themselves assigned to the same sleeping car on a trans-continental train.

Though initially embarrassed and uneasy over sharing the room, they were both tired and fell asleep quickly, he in the upper berth and she in the lower.

At 02:00, the man awoke, leaned down and gently woke the woman, saying, "Ma'am, I'm sorry to bother you, but I'm awfully cold. Would you be willing to reach into the closet to get me a second blanket?"

"I have a better idea," she replied. "Just for tonight, let's pretend that we are married to each other."

"Wow!" he exclaimed. "That's a great idea!"

"Good," she replied. "Get your own damned blanket."

After a moment of silence, he farted.

# **SPEAKING TRUTH TO POWER**

- A police officer pulls over a speeding car.
- The officer says to the driver, "I clocked you at 80 miles per hour, sir."
- The driver answers, "Gee, officer, I had it on cruise control at 60; perhaps your radar gun needs calibrating."
- Not looking up from her knitting, his wife says, "Now, don't be silly, dear. You know this car doesn't have cruise control."
- As the officer writes out the ticket, the driver glares at his wife and growls, "Could you please keep your mouth shut?"
- The wife smiles sweetly and says, "You should be thankful your radar detector went off when it did."

As the officer makes out the second ticket for the illegal radar detector unit, the man glowers at his wife and says through clenched teeth, "Woman, can't you keep your mouth shut for once?!"

The officer frowns and says, "And I notice that you're not wearing your seat belt, sir. That's an automatic \$75 fine."

The driver replies, "Yeah, well, you see officer, I had it on, but I took it off when you pulled me over so that I could get my license out of my back pocket."

The wife pipes up, "Now, dear, you know very well that you didn't have your seat belt on. You never wear your seat belt when you're driving."

And, as the police officer is writing out the third ticket, the driver turns to his wife and barks, "WILL YOU SHUT UP?!!"

The officer looks over at the woman and asks, "Does your husband always talk to you this way, Ma'am?"

# She replies, "Only when he's been drinking."

### AMERICAN TALIBAN DEMAND CESSATION OF SURGICAL REMOVAL OF TESTICULAR CANCERS

Rubicon, USA, 5 December 2021.

#### M. E. Kabay reporting.

Members of the ultraconservative religious group Sanctification of the Testicle announced today that they have prepared new legislative proposals to ban surgery to remove testicular cancer.

Spokesperson Wendy Fanatic said in her news conference, which was recorded only using cuneiform writing on clay tablets and carried to news agencies using mule trains, "It is time to stop the senseless and immoral murder of innocent tissues being removed by Satanic surgeons intent on destroying the rights of testicular cancers."

Members of the Sanctification of the Testicle believe that all life must be preserved if it has at least 45 human chromosomes. "Testicular cancer cells are fully human from the moment they reproduce. If Gd had intended them to be destroyed, G-d would never have permitted the mutations that resulted in their glorious reproductive cycle."

Some members of the Cult have stated that because 40-60% of all fertilized human ova fail to implant in the uterine endometrium and are expelled in the first menstrual flow after fertilization, US law should require funerals and religious burial for all used sanitary napkins. A few extremists have publicly asserted that because buccal epithelial cells contain the entire human genome, brushing teeth and using mouthwash should also be banned to prevent the senseless destruction of human life.

Several Republican legislators including Ron Dinsanity and Marco Rube have celebrated the proposal and agree to move forward to prevent any more murders of innocent cells. Some have proposed bans on all surgeries to remove cancers, describing these procedures as immoral interventions in the will of G-d.

The Orange Buffoon commented, "I support anything that pleases sexists, racists and fascists" before being slapped unconscious by Melania.

Marjorie Taylor Greene has published an anime video showing her using her automatic weapons to murder surgeons, claiming she is entitled to enforce her moral standards on everyone regardless of their beliefs. She also announced that there is clear evidence that all surgeons are Jews determined to remove decent white people's testicles even without cancer cells. "The Jewish Space Laser Corps is collaborating in his evil effort," she said, spraying correspondents with spittle as she foamed at the mouth.

Lauren Boebert also supports the new rules, saying that she is entitled to support whatever proposal is excreted by rightwingnuts. She appeared on FAUX NEWS with a rifle poking out from her crotch and bullets replacing her incisors.

Kyrsten Enema and Joe Munchkin have signed on to the proposed legislation to demonstrate their willingness to oppose partisan divisions.

There has been no word yet on how men feel about the proposed elimination of their bodily autonomy.

## Thinking of having kids?

#### Lesson 1

Go to the supermarket.

Arrange to have your salary paid directly to their head office.

Go home.

Pick up the paper.

Read it for the last time.

#### Lesson 2

Before you finally go ahead and have children, find a couple who already are parents and berate them about their...

1. Methods of discipline.

- 2. Lack of patience.
- 3. Appallingly low tolerance levels.

4. Allowing their children to run wild.

Suggest ways in which they might improve their child's sleeping habits, toilet training, table manners and overall behavior. Enjoy it. It will be the last time in your life that you will have all the answers.

#### Lesson 3

To discover how the nights will feel...

1. Walk around the living room from 5PM to 10PM carrying a wet bag weighing approximately 8-12 pounds, with a radio turned to static (or some other obnoxious sound) playing loudly.

2. At 10PM, put the bag down, set the alarm for midnight, and go to sleep.

3. Get up at 12 and walk around the living room again, with the bag, until 1AM.

4. Set the alarm for 3 AM.

5. As you can't get back to sleep, get up at 2AM and make a drink.

6. Go to bed at 2:45AM.

7. Get up at 3AM when the alarm goes off.

8. Sing songs in the dark until 4AM.

9. Get up. Make breakfast. Keep this up for 5 years. Look cheerful.

#### Lesson 4

Can you stand the mess children make? To find out...

1. Smear peanut butter onto the sofa and jam onto the curtains.

2. Hide a piece of raw chicken behind the stereo and leave it there all summer.

3. Stick your fingers in the flower bed.

4. Then rub them on the clean walls.

5. Cover the stains with crayons. How does that look?

#### Lesson 5

Dressing small children is not as easy as it seems.

1. Buy an octopus and a small bag made out of loose mesh.

2. Attempt to put the octopus into the bag so that none of the arms hang out.

Time allowed for this--all morning.

#### Lesson 6

1. Take an egg carton. Using a pair of scissors and pot of paint, turn it into an alligator.

2. Now take the tube from a roll of toilet paper. Using only Scotch tape and a piece of foil, turn it into an attractive Christmas candle.

3. Last take a milk carton, a ping-pong ball, and an empty packet of Cocoa Puffs. Make an exact replica of the Eiffel Tower.

#### Lesson 7

Forget the BMW and buy a station wagon. And don't think that you can leave it out in the driveway spotless and shining. Family cars don't look like that.

1. Buy a chocolate ice cream cone and put it in the glove compartment. Leave it there.

2. Get a dime. Stick it in the cassette player.

3. Take a family size package of chocolate cookies. Mash them into the back seat.

4. Run a garden rake along both sides of the car.

There. Perfect.

#### Lesson 8

Get ready to go out.

1. Wait outside the bathroom for half an hour.

2. Go out the front door.

- 3. Come in again.
- 4. Go out.
- 5. Come back in.
- 6. Go out again.
- 7. Walk down the front path.
- 8. Walk back up it.
- 9. Walk down it again.

10. Walk very slowly down the road for five minutes.11. Stop, inspect minutely, and ask at least 6 questions about every cigarette butt, piece of used chewing gum, dirty tissue, and dead insect along the way.

12. Retrace your steps.

13. Scream that you have had as much as you can stand until the neighbors come out and stare at you.

14. Give up and go back into the house.

You are now just about ready to try taking a small child for a walk.

#### Lesson 9

Repeat everything at least, if not more than, five times.

#### Lesson 10

Go to the local supermarket. Take with you the closest thing you can find to a preschool child. (A full-grown goat is excellent.) If you intend to have more than one child, take more than one goat. Buy your week's groceries without letting the goats out of your sight. Pay for everything the goat eats or destroys. Until you can easily accomplish this, do not even contemplate having children.

#### Lesson 11

1. Hollow out a melon.

2. Make a small hole in the side.

3. Suspend it from the ceiling and swing it from side to side.

4. Now get a bowl of soggy Cheerios and attempt to spoon them into the swaying melon by pretending to be an airplane.

5. Continue until half the Cheerios are gone.

6. Tip half into your lap. The other half just throw up in the air.

You are now ready to feed a 12-month-old baby.

#### Lesson 12

Learn the names of every character from Sesame Street, Barney, Teenage Mutant Ninja Turtles, and Disney (and the Teletubbies!). Watch nothing else on T.V. for at least five years.

#### Lesson 13

Move to the tropics. Find or make a compost pile. Dig down about halfway in and stick your nose in it. Do this 3-5 times a day for two years.

#### Lesson 14

Make a recording of Fran Drescher saying "mommy" repeatedly. (Important: No more than a four second delay between each "mommy"; occasional crescendo to the level of a supersonic jet is required.) Play this tape in your car everywhere you go for the next four years. You are now ready to take a long trip with a toddler.

#### Lesson 15

Start talking to an adult of your choice. Have someone else continually tug on your skirt hem, shirt sleeve, or elbow while playing the "mommy" tape made from Lesson FOURTEEN above. You are now ready to have a conversation with an adult while there is a child in the room.

#### Lesson 16

Put on your finest work attire. Pick a day in which you have an important meeting.

1. Take a cup of cream, and put 1 cup lemon juice in it. 2. Stir.

3. Dump it on your nice shirt. Also, saturate a towel with this mixture.

4. Attempt to wipe it off with this towel.

5. Do NOT change. You have no time.

#### 6. Go directly to work.

#### Lesson 17

Go for a ride, but first...

1. Find one large tomcat and six pit bulls.

2. Borrow a child safety seat and put it in the back seat of your car.

3. Put the pit bulls in the front seat of your car.

4. While holding something fragile or delicate, strap the cat into the child seat.

For the really adventurous... Run some errands, remove and replace the cat at each stop.

### A WOMAN'S WEEKAT THE GYMN

### Dear Diary,

For my birthday this year, my daughter (the dear) purchased a week of personal training at the local health club for me.

Although I am still in great shape since being a high school football cheerleader 43 years ago, I decided it would be a good idea to go ahead and give it a try.

I called the club and made my reservations with a personal trainer named Brad, who identified himself as a 26-year-old aerobics instructor and model for athletic clothing and swimwear.

My daughter seemed pleased with my enthusiasm to get started! The club encouraged me to keep a diary to chart my progress.

#### MONDAY:

Started my day at 6:00 a.m. Tough to get out of bed, but found it was well worth it when I arrived at the health club to find Brad waiting for me. He is something of a Greek god – with blond hair, dancing eyes and a dazzling white smile. Woo Hoo!! Brad gave me a tour and showed me the machines. I enjoyed watching the skillful way in which he conducted his aerobics class after my workout today. Very inspiring! Brad was encouraging as I did my sit-ups, although my gut was already aching from holding it in the whole time he was around. This is going to be a FANTASTIC week!

#### TUESDAY:

I drank a whole pot of coffee, but I finally made it out the door.

Brad made me lie on my back and push a heavy iron bar into the air then he put weights on it! My legs were a little wobbly on the treadmill, but I made the full mile. Brad's rewarding smile made it all worthwhile. I feel GREAT! It's a whole new life for me.

#### WEDNESDAY:

The only way I can brush my teeth is by laying the toothbrush on the counter and moving my mouth back and forth over it. I believe I have a hernia in both pectorals. Driving was OK as long as I didn't try to steer or stop. I parked on top of a GEO in the club parking lot.

Brad was impatient with me, insisting that my screams bothered other club members. His voice is a little too perky for early in the morning and when he scolds, he gets this nasally whine that is VERY annoying. My chest hurt when I got on the treadmill, so Brad put me on the stair monster. Why the Hell would anyone invent a machine to simulate an activity rendered obsolete by elevators? Brad told me it would help me get in shape and enjoy life. He said some other stupid stuff too.

### THURSDAY:

Brad was waiting for me with his vampire-like teeth exposed as his thin, cruel lips were pulled back in a full snarl. I couldn't help being a half an hour late, it took me that long to tie my shoes.

Brad took me to work out with dumbbells. When he was not looking, I ran and hid in the restroom. He sent a skinny bitch colleague to find me.

Then, as punishment, he put me on the rowing machine – which I sank.

### FRIDAY:

I hate that creep Brad more than any human being has ever hated any other human being in the history of the world. Stupid, muscle-bound, pig-headed sadistic monster! If there were a part of my body I could move without unbearable pain, I would beat him with it.

Brad wanted me to work on my triceps. I don't have any triceps! And if you don't want dents in the floor, don't hand me the damned barbells or anything that weighs more than a sandwich. The treadmill flung me off and I landed on a health and nutrition teacher. Why couldn't it have been someone softer, like Susan the drama coach or Nancy the choir director?

### SATURDAY:

Brad left a message on my answering machine in his grating, gravelly voice wondering why I did not show up today. Just hearing him made me want to smash the machine with my planner.

However, I lacked the strength to even use the TV remote and ended up catching eleven straight hours of the Weather Channel.

### SUNDAY:

I'm having the Church van pick me up for services today so I can go and thank G-D that this week is over. I will also pray that next year my daughter (the ungrateful little wretch) will choose a gift for me that is fun – like a root canal or a hysterectomy.

We should pass a woman's heartbeat law:

It was the tenth reunion celebration of the class of 2014 at Wornich University.

The wealthy donor to the university-endowment fund was having a nice time chatting with an attractive alumna of the computersecurity degree.

He was startled when she said, "You look like my fourth husband!"

"Really? How many husbands have you had?"

The young lady answered smugly, "Three."

"Of course I love you more than cheese. What a silly question. In fact, cheese and I are just friends. Nothing's going on between cheese and me."

# THE EXPERIENCE

A loving husband went through every prenatal course with his wife and stayed at her side throughout labor and delivery. As she held their new baby, he asked her to describe the experience of giving birth. "Okay," said his wife. "Smile as hard as you can." The husband did so. "Now stick a finger in each corner of your mouth and stretch your lips as far as they'll go." The husband nodded.

### "Now pull them over your head," said the wife.

A couple went on a safari with the wife's mom.

One morning, the wife awakens and finds her mom missing!

She and her husband immediately go looking for her.

Suddenly they find her in a clearing where she is standing face-to-face with a snarling lion.

"Oh darling!" screams the wife. "Quick, do something!"

The husband says reassuringly, "Oh don't worry, dear. I'm sure the lion will be perfectly safe."

# THE SCEANCE

A widow went to a medium to see if she could contact her husband of many years. Within minutes, his voice was audible in the room. "Are you happy, Sweetheart?" she asked.

"Yes," came the ghostly reply.

"Happier than when we were together?" she asked nervously.

# "Yes," came the disembodied response.

"Oh Darling," she quavered, "what's it like in Heaven?"

"Who's in heaven??"

For his 40th birthday, the dutiful son received the usual two neckties from his mother, this time, a Paisley and a solid-blue one.

When he picked her up for the usual celebratory dinner that evening wearing the blue tie, she took one look and snapped, "And what's wrong with the Paisley??"
